E^3 Podcast Episode: "Courageous Pioneers" w/ Becky Meyerson

- Becky talks about four "courageous pioneer" women from the Bible: Sarah pioneered a nation; Esther pioneered freedom; Hannah pioneered the fresh voice of God; and Deborah pioneered leadership. Which woman or story do you most relate with? Why?
- Read Ephesians 2:10. Do you generally recognize the investment God has placed in you? If applicable, what is or might be holding you back from being a courageous pioneer in your world?
- Becky mentioned how failing is learning. Is this your perspective when you "fail," or how would you like God to help you think differently?
- In what ways do you feel God calling you to be a "courageous pioneer?" How would being a courageous pioneer impact your closest spheres of influence, such as your family and friends? How would being a courageous pioneer influence your second spheres of influence, such as your community, coworkers, and church family?
