

**CAR CARE TEAM:** Knowledgeable volunteers will provide vehicle services such as safety inspections, detailing/cleaning, replacing bad tires, and repairing critical problems that pose safety concerns on each car.  
**We are always looking for mechanics to fix cars.**

\*If monetary and/or mechanical knowledge are both unavailable, there's always room for other volunteer positions to assist this event\*

(Some positions include directing traffic, greeting, and checking-in moms, cleaning cars, and more)

For more information, please contact **Tim Hiller**

- **Phone:** (612) 242-4468
- **Email:** tim@thecarclinic.org

In 2023, 2024, and 2025, the Car Care Team was able to process 120 cars for all three years!

We're hoping to be able to continue this wonderful tradition 😊

*As time and talent allows!*

## BRIDGING THE GAP
